Early Bird Discount Checklist

Step 1

- Register online at www.youthencounter.org/registration or
Fill out the Early Bird Discount Form (to the right).
 - The Early Bird Discount Form is not your registration.
- Send this form and a \$35 per person, non-refundable deposit to Youth Encounter by your specific **Quake's Early Bird Discount Deadline** to the address below.
 - Send one check, written out by the church.
- Make a copy of the completed form for your records.

Quake Early Bird Discount Deadlines:

Quake Dates	Early Bird Deadlines
November 2007	September 15, 2007
January & February 2008	October 15, 2007
March & April 2008	November 15, 2007

Step 2

- Turn in the following forms on or before the Standard Postmark Deadline for your specific Quake: (A) completed Registration Form and (B) completed Individual Information Form.
 - The above forms can be found at www.youthencounter.org/registration and **must be postmarked on or before the Standard Postmark Deadline** or you will not receive the discounted Standard Registration price. Instead, you will qualify for the Late Registration price.
 - Dates, prices, and the Standard Postmark Deadlines can be found at www.youthencounter.org/quakes or on the registration poster.

Additional Information:

- Pricing includes your hotel rooms and program fees. Pricing is based on four (4) people per room, except at the Wisconsin Dells and Des Moines Quakes, where pricing is based on five (5) people per room. This includes Early Bird participants. If you are unable to fill your rooms to capacity, additional housing fees apply.
- Remember that only the number of people you send in deposits for (at this time) qualify for the Early Bird Discount. If you add participants after the Early Bird Discount Deadline, those people will not receive the Early Bird Discount. They will be charged the appropriate registration fees according to when they register.
- If your number of participants decreases between when you turned in the Early Bird Discount Form and when you arrive at the Quake, their deposits are non-refundable and cannot be applied to your remaining balance.
